

STAFF CONFLICT OF INTEREST

Employees of the Board will not engage in nor have a financial interest, directly or indirectly, in any activity that conflicts (or raises a reasonable question of conflict) with their duties and responsibilities in the school system.

Employees will not sell textbooks, instruction supplies, equipment, reference books, or any other school products to the schools in the district. They will not furnish the names of students or parents to anyone selling these materials.

In order that there is no conflict of interest in the supervision and evaluation of employees, at no time may any administrator be responsible for the supervision and/or evaluation of an employee who is related to him/her within the third degree of consanguinity or is his/her spouse.
