

## Enrichment Program

Students with superior academic ability will be given an opportunity for greater educational challenge.

Academically gifted students are those who have been identified as having superior academic ability and whose needs cannot be met within the regular curriculum.

The parent or guardian of any gifted student must grant consent as a prerequisite for the student's participation in an enrichment program.

Included among enrichment program offerings may be:

- Special counseling or instruction outside regular classes.

- Enrichment in regular classes.

- Tutoring and correspondence course.

- Advanced grade or class placement.

- Attendance in college or junior college classes.
